

## A Call to Prayer

We believe many churches in Canada are ripe for revival and our country is in desperate need for a great spiritual awakening from God. We are burdened for and call upon Ministry Leaders and Prayer Warriors across the nation to join in prayer for God to reveal His glory and power in a way that truly AWAKENS us.

**We will bring a qualified, proven ministry team to facilitate a Prayer Summit in your community. We will find a neutral venue and host the entire event. This is a relational experience so we prefer smaller groups of 25 to 35 people.**

*<sup>14</sup> if my people who are called by my name humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land.*

## Revival is...

An expression that gets to the heart of the matter, the place where real change actually happens. In revival, God surprises us with His presence. And when God pours out His power on individuals, churches, and communities, everything changes. The result is a total makeover of the heart that revitalizes individuals, families, and churches.

***When God pours out His power on individuals, churches, and communities, everything changes.***

Our nation has been dramatically shaped by wide-scale revivals in the past, when thousands of Christians have gotten right with God and many people have been spiritually awakened to their need for faith in Christ. This always starts when believers walk through a practical, biblical process of revitalizing their relationship with God and reconciling their relationships with each other, helping them to become agents of transformation in their communities while uniting to seek God for an outpouring of the Holy Spirit.

Revival. It's just an expression, but it represents God's desire for your life.

***Life Action Canada helps churches and individual believers seek God for real spiritual change.***

## Life Action Canada is...

***Our ministry philosophy is based on a powerful spiritual principle—that an encounter with God is the starting place for lasting change.***

Life Action Canada helps believers experience the power and presence of God. Our events lead people through a process of applying **timeless biblical principles** like honesty, brokenness, and transparency to the practical issues of modern life.

### **Testimony from Past Prayer Summit**

*The Prayer Summit was a pivotal time for myself..., as the Lord showed up in a very powerful way exposing areas of pride, fear of man and overall disobedience to the things God was asking our family to do. The Lord used the message the first night to break me of myself and expose my selfish comfort. What the Lord was asking our family to do was simply terrifying, but the Lord showed me during those few days that He is a faithful God and truly sovereign over our lives. I was thankful for this intentional time away to join with brothers and sisters in Christ, to call out to the Lord, seek His face and beg him to show up powerfully in our lives and to bring revival not only to this nation, but to myself personally. To God be the Glory alone!*
