

# LIFE ACTION CANADA - REVIVE CONFERENCE

## A Flexible 4-Day Conference

If your church family needs a fresh spark of passion for Christ, a renewed “first love” relationship with Him, this event may serve you well. Most Revive Conferences span from Sunday morning through Wednesday night, and include nightly services and daytime leadership meetings. In addition to the conference itself, Life Action will also provide you with pre- and post-weekend coaching resources to help build a culture of seeking God, loving one another, and completing the Great Commission.

## Practical, Biblical Teaching

The Revive Conference is based on the core content Life Action has been sharing for more than 40 years, helping people see their need for personal spiritual renewal and then walking them through the biblical process involved for change. Principles such as holiness, repentance, humility, obedience, love, prayer, and mission will, prayerfully, refresh your congregation and offer you an opportunity to lead your church forward with new kingdom momentum.

## Revive Conference Cost

We request a flat travel/scheduling fee prior to the event\*, and accommodations for your speakers (a host home or hotel). An additional offering to benefit Life Action’s outreaches or your particular speaker is appreciated but not required. If cost is a barrier in your particular situation, feel free to contact us anyway. We are here to serve you and would love to work something out. (\*If your church is located more than 500 km’s from one of our available speakers, we may request additional help with travel expenses.)

## This Conference Is Designed For

- Pastors looking to jump-start spiritual momentum and vision
- Suitable for congregations of 75 to 500+
- Churches that need a renewing of their first love for Christ
